

PLEASE READ

Starting 1 July 2021:

There needs to be a Minimum of 10 students in order to conduct a class.

Classes will no longer be held in Engine/Truck Bays. Students need an environment that lends itself to learning.

If you do not see a class near you, please call to schedule one.

If you are requesting a class, you will be the point of contact.

Persons intrested in attending will call you. They need to know if there is room for them in the class and how to get there.

Class size can be from 10-40 students. Please plan accordingly.

Students, Chief, and Training Officers shall contact the hosting agency to ensure seating is avaiable.
